

Medicare Alternatives

Employers Resource has partnered with Strategic Growth Insurance Associates, Inc. (SGIA) to assist our employees and their family members in finding cost-effective Medicare alternatives at no cost to the employees and their family members. For employees and employee's family members 65 or older or eligible for Medicare, SGIA assists in the evaluation and selection of health coverage through Medicare.

Are You?

- ✓ *Currently employed and Medicare eligible?*
- ✓ *Helping someone make Medicare decisions?*
- ✓ *Nearing retirement and becoming Medicare eligible?*

If you answered yes to any of these questions, the Employers Resource Medicare alternatives plan might be exactly what you've been looking for.

We've partnered with Strategic Growth Insurance Associates (SGIA) to provide services at no cost to employees and their family members!

How Does it Work?

SGIA works with every major health insurance carrier to provide unbiased options to assist our employees and their family members in selecting a Medicare entitlement program.

When you speak with a Medicare Benefit Consultant, they will:

- ✓ review your Medicare eligibility with you
- ✓ conduct a thorough, unbiased health and drug coverage needs assessment
- ✓ identify coverage options that best meet or exceed your individual health care needs
- ✓ assist you in the enrollment process
