

CERTIFICATE OF INSURANCE

INTRODUCTION

This Certificate of Insurance provides information about Your dental coverage. Read it carefully and keep it in a safe place with Your other valuable documents. Review it to become familiar with Your benefits and when You have a specific question regarding Your coverage.

To offer these benefits, Your Group has entered into a Group Policy of insurance with United Concordia. The benefits are available to You as long as the Premium for You and any enrolled Dependents is paid and obligations under the Group Policy are satisfied. In the event of conflict between this Certificate and the Group Policy, the Group Policy will rule. This Certificate is not a summary plan description under the Employee Retirement Income Security Act (ERISA).

ELIGIBILITY AND ENROLLMENT -- WHEN COVERAGE BEGINS

New Enrollment

If You have already satisfied Your Group's eligibility requirements when the Group Policy begins and Your enrollment information is supplied to Us, Your coverage and Your Dependents' coverage will begin on the Effective Date of the Group Policy provided We receive the Premium.

If You join the Group or become employed after the initial Effective Date of the Group Policy, in order to be eligible to enroll, You must first satisfy any eligibility requirements of Your Group.

You must supply the required enrollment information on Yourself and Your Dependents within 31 days of the date You meet these requirements. Your Dependents must also meet the requirements detailed in the definition of Dependent in the Definitions section of this Certificate.

Your coverage and Your Dependents' coverage will begin on the date specified in the enrollment information supplied to Us provided Premium is paid.

The Company is not liable to pay benefits for any services started prior to a Member's Effective Date of coverage. Multi-visit procedures are considered "started" when the teeth are irrevocably altered. For example, for crowns, bridges and dentures, the procedure is started when the teeth are prepared and impressions are taken. For root canals, the procedure is started when the tooth is opened and pulp is removed. Procedures started prior to the Member's Effective Date are the liability of the Member or a prior insurance carrier.

Enrollment Changes

After Your initial enrollment, there are certain life change events that permit You to add Dependents. These events are:

- birth
- adoption
- addition of a grandchild
- court order of placement or custody
- marriage or other life change event defined by Your Group.

To enroll a new Dependent as a result of one of these events, You must notify Your Group and supply the required enrollment change information within 31 days of the date You acquired the Dependent. The Dependent must meet the requirements detailed in the definition of Dependent in the Definitions section of this Certificate.

Except for newly born child, adoptive child or grandchild, coverage for the new Dependent will begin on the date specified in the enrollment information provided to Us as long as the Premium is paid.

Newly born children of a Member will be considered enrolled from the moment of birth. Adoptive children will be considered enrolled from the date of adoption or placement, except for those adopted or placed within 31 days of birth who will be considered enrolled Dependents from the moment of birth. In order for

coverage of newly born children, adoptive children or grandchildren to continue beyond the first 31 day period, the child's enrollment information must be provided to Us and the required Premium must be paid within the 31 day period.

Eligible Dependents will also include any children of the eligible Employee's dependent child, if those children are dependents of the Employee for income tax purposes.

For an enrolled Dependent child who is mentally or physically handicapped, evidence of his/her reliance on You for maintenance and support due to his/her condition must also be supplied to Us within 31 days after said Dependent attains the limiting age shown in the definition of Dependent. Such evidence will be requested based on information provided by the Member's physician but no more frequently than annually.

Dependent coverage may only be terminated when certain life change events occur including death, divorce or reaching the limiting age or during open enrollment periods.

No person can enroll as a Dependent if they are also enrolling as an Employee (such as a spouse). No person can be an eligible Dependent for more than one eligible Employee.

IT IS THE ENROLLED EMPLOYEE'S RESPONSIBILITY TO KEEP THE COMPANY ADVISED OF CHANGES THAT AFFECT EACH DEPENDENT'S STATUS.

Late Enrollment

If You or Your Dependents are not enrolled within 31 days of initial eligibility or a life change event, You or Your Dependents cannot enroll until the next open enrollment period conducted for Your Group or unless otherwise specified in any applicable Late Entrant Rider to the Certificate of Insurance. If You are required to provide coverage for a Dependent child pursuant to a court order, You will be permitted to enroll the Dependent child without regard to enrollment season restrictions.

Voluntary Disenrollment

If You chose to drop Your coverage or Your Dependents' coverage under the Plan at any time during the contract year other than at open enrollment, you will not be permitted to enroll yourself or your dependents at a later time unless you supply proof of loss of coverage under another dental plan. The loss of coverage must be due to a valid life change event such as death, divorce or change in employment status of spouse. If you supply such proof, you will be permitted to re-enroll at the next open enrollment period. You will be considered a new enrollee with respect to application of any Waiting Periods or benefit level changes shown on the Schedule of Benefits.

HOW THE DENTAL PLAN WORKS

Choice of Provider

You may choose any licensed dentist for services. However, Your out-of-pocket costs will vary depending upon whether or not Your dentist participates with United Concordia. If You choose a Contracting Dentist, You may limit Your out-of-pocket cost. Contracting Dentists agree by contract to accept Maximum Allowable Charges as payment in full for Covered Services. Contracting dentists also complete and send claims directly to Us for processing. To find a Contracting Dentist, visit *Find a Dentist* on Our website at www.unitedconcordia.com or call Our Interactive Voice Response System at the toll-free number in the Introduction section of this Certificate.

If You go to a dentist who is not a United Concordia Contracting Dentist, You may have to pay the dentist at the time of service, complete and submit Your own claims and wait for Us to reimburse You. You will be responsible for the dentist's full charge which may result in higher out-of-pocket costs for You.

When You visit the dental office, let Your dentist know that You are covered under a United Concordia program and give the dental office Your contract ID number and group number. If Your dentist has

questions about Your eligibility or benefits, instruct the office to call Our Interactive Voice Response System at the toll-free number in the Introduction section of this Certificate or visit *Dental Inquiry* on Our website at www.unitedconcordia.com.

Claims Submission

Upon completion of treatment, the services performed must be reported to Us in order for You to receive benefits. This is done through submission of a paper claim or electronically. Contracting Dentists will report services to Us directly for You and Your Dependents.

Most dental offices submit claims or report services for patients. However, if You do not receive treatment from a Contracting Dentist, You may have to complete and send claims to Us in the event the dental office will not do this for You. To obtain a claim form, visit the Members link on our website at www.unitedconcordia.com. Be sure to include on the claim:

- the patient's name
- date of birth
- Your contract ID number
- patient's relationship to You
- Your name and address
- the name and policy number of a second insurer if the patient is covered by another dental plan.

Your dentist should complete the treatment and provider information or supply an itemized receipt for You to attach to the claim form. Send the claim form or predetermination to the address in the Introduction section of this Certificate.

For orthodontic treatment, if covered under the Plan, an explanation of the planned treatment must be submitted to Us. Upon review of the information, We will notify You and Your dentist of the reimbursement schedule, frequency of payment over the course of the treatment, and Your share of the cost.

Should You have any questions concerning Your coverage, eligibility or a specific claim, contact Us at the address and telephone number in the Introduction section of this Certificate or log onto *My Dental Benefits* at www.unitedconcordia.com.

Claim Forms

The Company will furnish to the Policyholder for delivery to such person such forms as are usually furnished by it for filing proof of loss. If such forms are not furnished before the expiration of 15 days after the insurer received notice of any claim under the policy, the person making such claim shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, character, and extent of the loss for which claim is made.

Proof of Loss

In the case of claim for any loss, written proof of such loss must be furnished to the Company within 90 days after the date of such loss. Failure to furnish such proof within such time shall not invalidate or reduce any claim if it was not reasonably possible to furnish such proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Predetermination

A predetermination is a review in advance of treatment by Us to determine patient eligibility and coverage for planned services. Predetermination is not required to receive a benefit for any service under the Plan. However, it is recommended for extensive, more costly treatment such as crowns and bridges. A predetermination gives You and Your dentist an estimate of Your coverage and how much Your share of the cost will be for the treatment being considered.

To have services predetermined, You or Your dentist should submit a claim showing the planned procedures but leaving out the dates of services. Be sure to sign the predetermination request. Substantiating material such as radiographs and periodontal charting may be requested by Us to estimate benefits and coverage. We will determine benefits payable, taking into account Exclusions and Limitations including alternate treatment options based upon the provisions of the Plan. We will notify you of the estimated benefits.

When the services are performed, simply have Your dentist call Our Interactive Voice Response System at the telephone number in the Introduction section of this Certificate, or fill in the dates of service for the completed procedures on the predetermination notification and re-submit it to Us for processing. Any predetermination amount estimated is subject to continued eligibility of the patient. We may also make adjustments at the time of final payment to correct any mathematical errors, apply coordination of benefits, and comply with Your Plan in effect and remaining program Maximum dollars on the date of service.

BENEFITS

Schedule of Benefits

Your benefits are shown on the attached Schedule of Benefits. The Schedule of Benefits shows:

- the classes and groupings of dental services covered, shown with a “Plan Pays” percentage greater than “0%”.
- the percentage of the Maximum Allowable Charges the Plan will pay.
- any Waiting Periods that must be satisfied for particular services before the Plan will pay benefits. Waiting Periods are measured from date of enrollment in the Plan.
- any Deductibles You and/or Your family must pay before any benefits for Covered Services will be paid by the Plan, and the Covered Services for which there is no deductible. The Deductible is applied only to expenses for Covered Services and on either a calendar year or contract year basis (yearly period beginning with the Effective Date of the Group Policy).
- any Maximums for Covered Services for a given period of time; for example, annual for most services and lifetime for orthodontics. Annual Maximums are applied on either a calendar or contract year basis.

Your Out-of-Pocket Costs

In order to keep the Plan affordable for You and Your Group, the Plan includes certain cost-sharing features. If the class or service grouping is not covered under the Plan, the Schedule of Benefits will indicate either “not covered” or “Plan Pays -- 0%”. You will be responsible to pay Your dentist the full charge for these uncovered services.

Classes or service groupings shown with “Plan Pays” percentages greater than 0% but less than 100% require you to pay a portion of the cost for the Covered Service. For example, if the Plan pays 80%, Your share or Coinsurance is 20% of the Standard of Reimbursement shown on Your Schedule of Benefits. You are also responsible to pay any Deductibles, charges exceeding the Plan Maximums or charges for Covered Services performed before satisfaction of any applicable Waiting Periods.

Services

The general descriptions below explain the services on the Schedule of Benefits. The descriptions are not all-inclusive – they include only the most common dental procedures in a class or service grouping. Specific dental procedures may be shifted among groupings or classes or may not be covered depending on Your Group's choice of Plan. Check the Schedule of Benefits attached to this Certificate to see which groupings are covered ("Plan Pays percentage greater than "0%"). Also, have Your provider call Us to verify coverage of specific dental procedures or log on to *My Dental Benefits or Dental Inquiry* at www.unitedconcordia.com to check coverage. Services covered on the Schedule of Benefits are also subject to Exclusions and Limitations. Be sure to review the Schedule of Exclusions and Limitations also attached to this Certificate.

Exclusions and Limitations

Services indicated as covered on the Schedule of Benefits are subject to frequency or age Limitations detailed on the attached Schedule of Exclusions and Limitations. The existence of a Limitation on the Schedule of Exclusions and Limitations does not mean the service is covered under the Plan. Before reviewing the Limitations, You must first check the Schedule of Benefits to see which services are covered. No benefits will be provided for services, supplies or charges detailed under the Exclusions on the Schedule of Exclusions and Limitations.

Second Opinion and Alternative Treatment

We, upon notification, will determine (in consultation with the attending dentist) whether or not a dental service or procedure is Dentally Necessary. If the attending dentist does not agree with the decision of our Dental Advisor, the case will be automatically reviewed at a higher level. This secondary review, or peer review, will be done by a dentist who is also an advisor to Us (Dental Director). If the attending dentist or You wish to contest the informal reviews, a formal review can be initiated by writing an appeal to Our Quality Assurance department within thirty (30) days after the initial decision. An advisory board will then review Your case based on recommendations of the ADA and other nationally recognized standards.

Frequently, several alternate methods exist to treat a dental condition. For example, a tooth can be restored with a crown or a filling, and missing teeth can be replaced either with a fixed bridge or a partial denture. We will make payment based upon the allowance for the less expensive procedure provided that the less

expensive procedure meets accepted standards of dental treatment. Our decision does not commit the Insured Person to the less expensive procedure. However, if the Insured Person and the dentist choose the more expensive procedure, the Insured Person is responsible for the additional charges beyond those paid or allowed by the Company.

Payment of Benefits

If You have treatment performed by a Contracting Dentist, We will pay covered benefits directly to the Contracting Dentist. Both You and the dentist will be notified of benefits covered, Plan payment and any amounts You owe for Coinsurance, Deductibles, charges exceeding Maximums or charges for services not covered. The Standard of Reimbursement for Covered Services shown on Your Schedule of Benefits will be based on the Maximum Allowable Charge the treating Contracting Dentist has contracted to accept.

If You receive treatment from a Non-Contracting Dentist, We will send payment for covered benefits to You unless You indicate on the claim that You wish payment to be sent directly to Your treating dentist. You will be notified of the services covered, Plan payment and any amounts You owe for Coinsurance, Deductibles, charges exceeding Maximums or charges for services not covered. The Plan payment will be based on the Standard of Reimbursement for Covered Services shown on Your Schedule of Benefits. You will be responsible to pay the dentist any difference between the Plan's payment and the dentist's full charge for the services.

The Company does not disclose claim or eligibility records except as allowed or required by law and then in accordance with federal and state law. The Company maintains physical, electronic, and procedural safeguards to guard claims and eligibility information from unauthorized access, use, and disclosure.

Acceptance or Rejection of Claims

- a) The Company will notify a Claimant in writing of the acceptance or rejection of the claim not later than the 15th business day after the date the Company receives all items, statements and forms required by the Company, in order to secure final proof of loss.
- b) If Company rejects the claim, the notice will state the reasons for the rejection.
- c) If Company is unable to accept or reject the claim within the period specified by Subsection (a) of this section, Company will notify the claimant, not later than the date specified under Subsection (a), as applicable. The notice provided will give the reasons Company needs additional time.
- d) Not later than the 45th day after the date Company notifies a claimant under Subsection (c) of this section, Company will accept or reject the claim.
- e) Except as otherwise provided, if Company delays payment of a claim following its receipt of all items, statements and forms reasonably requested and required, for more than 60 days, Company will pay damages and other items as provided for under "DAMAGES" below.
- f) If it is determined as a result of arbitration or litigation that a claim received by Company is invalid and therefore should not be paid, the requirements of Subsection (e) of this section shall not apply in such case.

Damages

In all cases where a claim is made pursuant to the Policy and Company is liable therefore and is not in compliance with the requirements of this Section, Company shall be liable to pay the Policy Holder making the claim, in addition to the amount of the claim, 18 % per annum of the amount of such claim as damages, together with reasonable attorney fees. If a suit is filed, attorney fees shall be taxed as part of the costs in the case.

Time Payment of Claims

All benefits payable under the Policy other than benefits for loss of time shall be payable not more than 60 days after receipt of proof, that, subject to due proof of loss, all accrued benefits payable under the Policy for loss of time shall be paid not less frequently than monthly during the continuance of the period for which the

Company is liable, and that any balance remaining unpaid at the termination of such period shall be paid as soon as possible after receipt of such proof.

- (a) Reimbursement shall be made to the Texas Department of Human Resources for the actual cost of medical expenses the department pays through medical assistance for an Insured Person by the Policy if the Insured Person is entitled to payment for the medical expenses by the insurance Policy.
- (b) Payment of benefits shall be made on behalf of a child to the person who is not an Employee of the Group if a court order providing for the managing conservator of the child has been issued by a court competent jurisdiction in this or any other state. However, any requirements imposed on the managing conservator of the child shall not apply in the cases of any unpaid medical bill for which a valid assignment of benefits has been exercised in accordance with policy provisions or otherwise, nor to claims submitted by the Employee where the Employee has paid any portion of a medical bill that would be covered under the terms of the policy.

Before a person who is not an Employee of the Group is entitled to be paid benefits under this Section, the person must submit to the Company with the claim application written notice that the person:

- 1) is the managing conservator of the child on whose behalf the claim is made; and
 - 2) submit a certified copy of a court order establishing the person as managing conservator or other evidence designated by rule of the State Board of Insurance that the person qualifies to be paid the benefits as provided herein.
- (c) Benefits paid on behalf of the child or children under the Policy must be paid to the Texas Department of Human Services after written notice to the Company at the Company's home office, if:
- (1) the parent who purchased the policy or who is an Employee of the Group is:
 - a) a possessory conservator of the child under an order issued by a court in this state or is not entitled to possession of or access to the child; and
 - b) is required by court order or court-approved agreement to pay child support;
 - (2) the Texas Department of Human Services is paying benefits on behalf of the child; and
 - (3) the Company is notified through an attachment to the claim for insurance benefits when the claim is first submitted to the Company that the benefits must be paid directly to the Texas Department of Human Services.

Dental Exams

The Company at its own expense shall have the right and opportunity to examine the Member when and as often as it may reasonably require during the pendency of a claim hereunder.

Time Limit on Certain Defenses

If after two years from the date of issue of this Certificate no misstatements, except fraudulent misstatements, made by the Insured Person in the application for such Certificate shall be used to void the Certificate or to deny a claim for loss incurred or disability as defined in the Certificate commencing after the expiration of such two year period.

Legal Actions

No action at law or in equity shall be brought to recover on the Policy prior to the expiration of 60 days after proof of loss has been filed in accordance with the requirements of the Policy and that no such action shall be brought at all unless brought within three years from the expiration of the time within which proof of loss is required by the Policy.

Overpayments

When We make an overpayment for benefits, We have the right to recover the overpayment either from You, from the person to whom it was paid, or from the dentist to whom the payment was made on behalf of the Member. We will recover the overpayment either by requesting a refund or offsetting the amount

overpaid from future claim payments. Recovery will be done in accordance with any applicable state laws or regulations.

Coordination of Benefits (COB)

Applicability:

This Coordination of Benefits (COB) provision applies to This Plan when an Insured Person has health care coverage under more than one Plan. **Plan** and **This Plan** are defined below. [This provision will apply for the duration of Your employment with the Group.]

If this COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another plan. The benefits of This Plan:

- a) Shall not be reduced when This Plan determines its benefits before another plan; but
- b) May be reduced when another plan determines its benefits first.

Definitions:

Plan is any of these which provided benefits or services for, or because of, dental care or treatment:

- 1) Group insurance or group-type coverage, whether insured or uninsured. This includes prepayment, group practice or individual practice coverage. It also includes coverage other than school accident type coverage.
- 2) Coverage under a governmental plan, or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, or the United States Social Security Act, as amended).

Each contract or other arrangement for coverage under (a) or (b) is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

This Plan is the part of the Policy that provides benefits for health care expenses.

Primary Plan/Secondary Plan: The order of benefit determination rules state whether This Plan is a Primary Plan or Secondary Plan covering the person.

When This Plan is a Primary Plan, its benefits are determined before those of the other plan and without considering the other Plan's benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of the other plan and may be reduced because of the other plan's benefits.

When there are more than two plans covering the person, This Plan may be a Primary Plan as to one or more other plans, and may be a Secondary Plan as to a different plan or plans.

Allowable Amount means a Dentally Necessary, Reasonable and Customary item of expense for dental care; when the item of expense is covered at least in part by one or more plans covering the Insured for whom claim is made.

When a plan provides benefits in the form of services, the reasonable cash value of each service is rendered will be considered both an Allowable Amount and a benefit paid.

When benefits are reduced under a Primary Plan because an Insured Person does not comply with the plan provisions, the amount of such reduction will not be considered an Allowable Amount. Examples of such provisions are those related to second surgical opinions or precertification of admissions or services.

Claim Determination Period means a Policy Year. However, it does not include any part of a year during which an Insured Person has no coverage under This Plan.

Order of Benefit Determination Rules:

When there is a basis for a claim under This Plan and another Plan, This Plan is a Secondary Plan which has its benefits determined after those of the other plan, unless;

- A) The other plan has rules coordinating its benefits with those of This Plan; and
- B) Both those rules and This Plan's rules require that This Plan's benefits be determined before those of the other plan.

This Plan determines its order of benefits using the first of the following rules which applies:**Non-Dependent/Dependent**

The benefits of the Plan which covered the Insured as an Employee, member or subscriber are determined before those of the plan which covers the Insured Person as a Dependent; except if the Insured Person is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:

- 1) Secondary to the plan covering the Insured Person as a Dependent, and
- 2) Primary to the plan covering the Insured Person as other than a Dependent (e.g., a retired employee),

Then the benefits of the plan covering the Insured person as a Dependent are determined before those of the plan covering that Insured Person as other than a Dependent.

Dependent Child/Parents Not Separated or Divorced

Except as stated in Paragraph (c) below, when This Plan and another plan cover the same child as a dependent of different persons, called parents, the rules for the order of benefits for a Dependent child when the parents are not separated or divorced are as follows:

- 1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year;
- 2) If both parents have the same birthday, the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time;

However, if the other plan does to have the rule described in (1) immediately above, but instead has a rule based on gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.

Dependent Child/Separated or Divorced Parents

If two or more plans cover an Insured Person as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:

- 1) First, the plan of the parent with custody of the child.
- 2) Then, the plan of the spouse of the parent with the custody of the child; and
- 3) Finally, the plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the dental care expenses of the child, and the entity obligated to pay or provide the benefits of the plan of that parent has actual knowledge of those terms, the benefits of that plan are determined first. The plan of the other parent shall be the **Secondary Plan**. This paragraph does not apply with respect to any Claim Determination Period or Plan Year during which any benefits are actually paid or provided before the entity has the actual knowledge.

A. Joint Custody

If the specific terms of the court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the dental care expenses of the child, the plans covering the child shall follow the order of benefit determination rules outlined in Section (b) above, title Dependent Child/Parents Not Separated or Divorced.

B. Active/Inactive Employee

The benefits of a plan which covers an Insured Person as an Employee who is neither laid off nor retired are determined before those of a plan which covers that Insured Person as a laid off or retired Employee. The same would hold true if an Insured Person is a Dependent of a Person covered as a retiree and an Employee. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this Rule (e) is ignored.

C. Continuation of Coverage

If an Insured Person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following shall be the order of benefit determination:

- 1) First, the benefits of a plan covering the Insured Person as an Employee, member or subscriber (or as the Insured Person's Dependent);
- 2) Second, the benefits under the continuation coverage.

D. Longer/Shorter Length of Coverage

If none of the above rules determine the order of benefits, the benefits of the plan which covered an Employee, member or subscriber longer are determined before those of the Plan which covered that Insured Person for the shorter term.

Effect on the Benefits of This Plan:

This Section applies when This Plan is the Secondary Plan in accordance with the order of benefits determination outlined above. In that event, the benefits of This Plan may be reduced under this Section.

1. Reduction in this Plan's Benefits

The benefits of This Plan will be reduced when the sum of:

- a) The benefits that would be payable for the Allowable Amount under this Plan in the absence of this COB provision; and
- b) The benefits that would be payable for the Allowable Amount under the other plans, in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made; exceed those Allowable amounts in a Claim Determination Period. In that case, the benefits of This Plan will be reduced so that they and the benefits payable under the other plans do not total more than those Allowable Expenses.

When the benefits of This Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of This Plan.

The Company may, without consent from or notice to such Insured Person, release to or obtain from any organization or individual, information concerning an Insured Person which the Company determines to be necessary to implement these COB provisions. Any Insured Person claiming benefits from the Company must furnish the Company with any information necessary to implement such provisions.

If the Company provides benefits in excess of those would be required to provide under Coordination of Benefits, it shall have the right to recover the excess payment. The Insured Person is required to assist the Company in recovering any excess payment, including completing and filing claim forms with another insurance company or organization and endorsing claims payment checks over to the Company.

If benefits which should have been provided by the Company have been provided by another plan, the Company will have the right, exercisable alone and in its sole discretion, to reimburse such plan whatever amount the Company determines necessary to satisfy the intent of these provisions. The Company is discharged from liability under this Policy to the extent of any payment made under this provision.

2. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. The Company has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. The Company need not tell, nor get the consent of any person to do this. Each person claiming benefits under **This Plan** must give any facts needed to pay the claim.

3. Facility of Payment

A payment made under another plan may include an amount which should have been paid under **This Plan**. If it does, the Company may pay the amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under **This Plan**, and the Company will not pay that amount again.

The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the services.

4. Right of Recovery

If the amount of the payment made by the Company is more than it should have paid under this COB provision, the company may recover the excess from one or more of the following:

- 1) Persons it has paid or for whom it has paid; or
- 2) Insurance companies; or
- 3) Other organization.

Insured Person(s) are required to assist the Company to implement this section. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Workers' Compensation

When a Member is eligible for Workers' Compensation benefits through employment, the cost of dental treatment for an injury which arises out of and in the course of Member's employment is not a covered benefit under this Plan. Therefore, if the Company pays benefits which are covered by a Workers' Compensation policy, the Company has the right to obtain reimbursement for those benefits paid. The Member must provide any assistance necessary, including furnishing information and signing necessary documents, for the Company to receive the reimbursement.

TERMINATION -- WHEN COVERAGE ENDS

Your coverage and/or Your Dependents' coverage will end:

- on the date You lose eligibility under Your Group's eligibility requirements; or
- on the date Premium payment ceases for You and/or Your Dependents, as specified by your Group; or
- on the date Your Dependent(s) cease to meet the requirements in the definition of Dependent in the Definitions section of this Certificate;

If Your coverage or Your Dependents' coverage is terminated as described above, coverage for completion of a dental procedure requiring two or more visits on separate days will be extended for a period of 90 days after the Member's Termination Date in order for the procedure to be finished. The procedure must be started prior to the Member's Termination Date. The procedure is considered "started" when the teeth are irrevocably altered. For example, for crowns, bridges and dentures, the procedure is started when the teeth are prepared and impressions are taken. For root canals, the procedure is started when the tooth is opened and pulp is removed. For orthodontic treatment, if covered under the Plan, coverage will be extended through the end of the month of the Member's Termination Date.

If Your coverage ends, Your Dependents' coverage will end on the same date.. If the Group Policy is cancelled, Your coverage and Your Dependents' coverage will end on the Group Policy Termination Date.

In the event of a default in Premium payment by the Policyholder, coverage will remain in effect for the Grace Period extended for payment of the overdue Premium. If the Premium is not received by the end of the Grace Period, the Group Policy will be cancelled and coverage will terminate the first day following the end of the Grace Period.

The Company is not liable to pay any benefits for services, including those predetermined, which are performed after the Termination Date of a Member's coverage or of the Group Policy.

CONTINUATION COVERAGE

Federal law may require certain employers to offer continuation coverage to Members for a specified period of time upon termination of employment or reduction of work hours for any reason other than gross misconduct. You should contact Your employer to find out whether or not this requirement applies to You and Your employer. Your employer will advise You of Your rights to continuation coverage and the cost. If this requirement does apply, You must elect to continue coverage within 60 days from Your qualifying event or notification of rights by Your employer, whichever is later. You may elect to extend Dependent(s) coverage, or the Dependent(s) may elect to continue coverage under certain circumstances or qualifying events. Dependent(s) must elect to continue coverage within 60 days from the event or notification of rights by Your employer, whichever is later. You must pay the required premium for continuation coverage directly to your employer. The Company is not responsible for determining who is eligible for continuation coverage.
